

# Why help us?

We want to orient our lives to be the most effective for the growth of the Kingdom, both within and outside of the church, and this begins at Sunset in August 2026.

We believe Dustin's work, church, and life experience leads to a well-prepared life for ministry, especially when matched with leadership mentors and close friends in ministry.

# Support the Gonzales Family at Sunset

III John 1:5-8

“Therefore, we ought to support people like these, that we may be fellow workers for the truth.”

# The need for funding

**Sunset International Bible Institute** offers a 2-year Bachelor of Biblical Studies degree. The courses equal 128 college-level credit hours covering the entire Bible and preparing students for a life of ministry. SIBI strongly discourages full-time students from working in order to dedicate their time to the preparation of the ministry of the Word. All living costs must be provided for, in addition to books, class fees, and campaigns.

## Meet Dustin, Sara, Diga, Dona, and Cora

Dustin and Sara are lifelong Christians from Katy, TX and Elizabethton, TN who met at Freed-Hardeman University. Dustin graduated with a B.B.A. in Business Management, and Sara graduated with a B.S. in Child and Family Studies. From there, they've been involved in congregations wherever they went, from Fredericksburg, VA, to Mankato, MN, to Waco, TX. In the five years they spent in Minnesota from 2016 to 2021, they served in a vocational ministry capacity. They stayed heavily involved in church functions, and brainstormed and implemented ways to get the church more involved in the community while working secular jobs.

Many connections were created among the Minnesota and Wisconsin churches.

Dustin has served in a worship leader capacity informally for the last 10 years, and participates and assists in various ways annually at the Texas Normal Singing School. "Have pitch pipe, will travel." He has worked for Taylor Corporation since 2016, and is currently a Supervisor for The Occasions Group. Sara stays at home raising and homeschooling the children, aged 6, 3, and 1. Together, Dustin and Sara make a formidable cooking and baking team. They currently work and worship with the Hewitt Church of Christ, and enjoy hosting gatherings in their home.
